Puppy Application

Please complete and submit the application if you are interested in getting a well-bred puppy from us. We work hard to match potential owners and our choices are entirely based on our personal judgment of the most suitable home for our puppies. We co-own our puppies which means that you are applying to have one of our puppies live with you for their entire lives, owned by you, co-owned by us (our name stays on registration, along with yours). Please fill out the application and email or hard mail to the address above. Thank You.
